

Growth Group Homework – May 8, 2022

Warm-Up

1. How does adding a baby to a family, change the individuals in the family?

Talk it Over

2. Summarize your top take aways from the message.
3. Galatians 5:16-25 contrasts our natural approach to life (the flesh) with how God wants us to live (following the desires of the Holy Spirit). Read the passage and write down some observations.

Question: The “Spirit” is the Holy Spirit who comes to live inside of us when we bow to Christ. What are some of the main differences you see between the actions of the flesh and the fruit of the Spirit?

Question: In what ways has God changed you since you decided to follow him? What were some of the challenges in that process?

4. John 14:26 says that the Holy Spirit will “teach” us and “remind” us of what God has said. John 16:13 tells us that the Holy Spirit will “guide us into truth.” Galatians 5:16 tells us to “walk in the Spirit.” Galatians 5:25 says that we “live by the Spirit” and we are to “keep in step with the Spirit.”

Question: Considering these verses, what are our responsibilities?

Question: What are some of the habits or practices that would help a person “keep in step with the Spirit”? What habits or patterns would make it hard for this to happen?

Take It Home

5. What is one thing from this study that you can put into practice this week?

The **Getting a Grip on the Bible** class is Sunday, May 15, at 10:30am in the Warehouse. You will discover five practices to help you learn and apply the Bible.
