

## Growth Group Homework – September 18, 2022

### Warm-Up

1. What are some of the responsibilities you have? How have your responsibilities changed throughout your life?

### Talk it Over

2. Summarize your top takeaways from the message.
3. Read 2 Thessalonians 3:6-13. What stands out to you about Paul's actions? What is his motivation?
4. Paul uses several words to describe a person not taking responsibility. The word "idle" in Greek means to act without discipline or irresponsibility, the word "disruptive" means to stop working with others and withdrawal, and the word "busybodies" means to work on something not your responsibility, i.e. meddling.

**Question:** When you encounter a roadblock in life, which of these do you drift into?

**Question:** What have been some of the personal consequences you have experienced for being idle, disruptive, or a busybody?

5. Bevan suggested three actions we can take that will invite God's help in our lives. 1) Excel in your field. 2) Expand your responsibilities. 3) Endure the weight of your responsibility.

**Question:** Which of these three do you need to focus on?

**Question:** What are some challenges you think you will encounter if you take action in this area?

### Take It Home

6. What is one thing from this study that you can put into practice this week?
