## 2. Job 1:20-22 Contentment

## Growth Group Homework – September 25, 2022

### Warm-Up

1. How would you define contentment?

### Talk it Over

2. Summarize your top takeaways from the message.
3. Read Philippians 4:11-13. Paul says the secret to contentment is learning to rely on God regardless of the circumstances. It's common for us to make a deal with God where if we keep his rules, we think he must use his power to make life better. What are some of the ways people do this?

**Question:** What are some of the indications that we have made a deal with God?

**Question:** Can you think of a time when you used obedience to try to work a deal with God?

4. 1 Timothy 6:6 says that “godliness with contentment is great gain.” In other words, obeying God and accepting what you have is the way to plan to be content. How have you seen these two go together in your life?
5. Job was a godly man, but his story includes great loss and pain. For much of the book, Job felt like a victim as he compared himself to his friends. He then began to question God. God responds by asking Job a series of questions that remind him of God's power. Read Job 42:1-6. How does Job's perspective change?

**Question:** How have you struggled to trust God's goodness during times of trouble? Give specific examples.

### Take It Home

6. What is one thing from this lesson you can do to start practicing contentment?
