

Growth Group Homework – October 30, 2022

Warm-Up

1. How have your views of the paranormal changed through this series?

Question: A common attack of the enemy is to convince us that we are not saved by God. Have you ever doubted your salvation? What would it look like for someone to nail down that they are actually saved?

Talk it Over

2. Summarize your top takeaways from the message.

5. Elliot shared that we can individually learn to use the armor, but when we join with others in the church, the real progress in the battle begins. What do you think of this idea?

In the book of Ephesians, chapter 6, the Apostle Paul identifies the Armor of God. This week you will look at faith and salvation.

3. ***Ephesians 6:16*** *In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one.* When was a time you struggled to trust and obey God in a situation of pain, desperation, or despair? What did you choose to do?

Question: What does it look like to join with others?

Question: Based on what you have learned about the Armor of God, what could you have done differently?

Take It Home

6. Out of the pieces of armor we talked about last week and this week, which one do you need to put on?

4. ***Ephesians 6:17*** *Take the helmet of salvation...* Putting on the helmet of salvation is believing that God is with you and will ultimately win the battle. When is it difficult to believe this?

Question: What is a practical way you can do this?
