- 2. What are dreams you've had that ended up working out how you hoped? Or are there dreams that you are currently working on? If so, what are they?

Talk It Over

- 3. Looking back at your notes from this week's message, what did you find most challenging or helpful?
- 4. We have spent the last 10 weeks exploring the frame that will guide our movement as a church. How do you see the sides of the frame working together? What relationships do you see?

Which part of the frame is most challenging to you and why?

5. Read 2 Corinthians 5:14-21. Bevan shared three words that describe our God Dream: restoration, bridges, and waves. What examples do you see in this passage of the dream Bevan explained?

What part of this dream excites you? What part intimidates you or makes you nervous?

6. Can you think of ways the frame in guestion 4 will help us stay focused and moving towards the dream we have?

Take It Home

7. Read Romans 15:5-6 and 1 Corinthians 1:10. Take a few minutes and pray that these passages would be true of Seabreeze as we pursue the mission God has given us. Ask God to help you be a part of the mission.
