GOD DREAMS: GOOD NEWS

Warm-Up

1. What was a recent awkward conversation you had?
2. When was the last time you were outside your comfort zone? What happened?

Talk It Over

3. Looking back at your notes from this week's message, what did you find most challenging or helpful?
4. The book of Acts records gospel presentations by Peter in Acts 2, and Paul in Acts 17. Peter was sharing with a Jewish audience who was familiar with the Old Testament. Paul was sharing with a Greek crowd unfamiliar with the Bible. Make a list of what they shared. Then compare and contrast their approaches.

Acts 2:29-39

Acts 17:24-34

- What do you learn from their messages that can help you share with people in your own life?
- 5. What has been your experience in the past with telling people about Jesus? What were some of the apprehensions or fears you had?

6. Bevan explained three steps to sharing the Gospel with the people around you. Read each one and answer the questions.

Imagine a new future for them in Christ and pray to that end.

- What do you think of this? Have you ever done something like this? What was that experience like?

Invite them into our lives, homes, and church.

- Why is it important to include them in more than just our church life?

Intentionally show and share the gospel of Christ.

- How could the example of our lives support or hinder our message? Can you think of examples?

- In your journey to follow Christ, how did these three approaches play a part in your decision?

Take It Home

7. Think through the places you frequent and the people you interact with regularly. What would it look like to apply these three approaches? What would be a doable first step for you?
