## Growth Group Homework - March 3, 2019

### GOD DREAMS: TEAMING TOGETHER

#### Warm-Up

1. Have you ever had to wear a uniform? What was it and why?
2. What is the best team experience you have ever had? *Note: Not limited to athletics.*

#### Talk It Over

3. Looking back at your notes from this week's message, what did you find most challenging or helpful?
  4. Read Philippians 2:19-30. What are some of the specific things that Timothy and Epaphroditus did? What were their motivations?
- If you were friends with one of these men, what are some of the reasons you would have respect for them?
  - Think back to the groups and teams you have been part of. What are some actions of others that earned your respect? Give an example.

5. Read the three statements that describe how we team together and the included verses. What stands out to you?

*Participate in the work of the church* 1 Peter 4:10

*Support the church financially* Matthew 6:19-21

*Follow leadership in the church within scriptural limits* Hebrews 13:17

- Have there been situations where these have been particularly challenging?
- 6. The Seabreeze mission is "*Thoughtfully inviting broken people to experience transformation in Christ.*" What would be some examples of how teaming together helps accomplish the mission?
- What would it look like for you to team with others to accomplish the mission?

#### Take It Home

7. Think back through the discussion. What is one thing God is challenging you to focus on? What is a next step of action you could take?
