Growth Group Homework - February 3, 2019

GOD DREAMS: GROWTH ESSENTIALS

Warm-Up

1. If you had an opportunity to go into outer space on the International Space Station, would you take it? Why or why not?
2. Have you ever attempted to remove something like sugar, carbs, or dairy from your diet? How did your body respond?

Talk It Over

3. Looking back at your notes from this week's message, what did you find most challenging or helpful?
4. Our goal at Seabreeze is to logically present the evidence for Christ without pressure. This is why we have the value of *Space to Investigate*. What do the following verses reveal about this value?

1 Peter 3:15

2 Corinthians 4:1-2

1 Thessalonians 2:8

- What impact did *Space to Investigate* play in your journey of becoming a Christian?
- What can you do as an individual to help Seabreeze embody this value?

5. We all need the help of others to grow. This is why we have the value of *Growth Requires Community*. What does Hebrews 10:19-25 reveal about the decision to follow Jesus and our need to be part of a Christian community?

- How have you experienced the benefits of being part of a church?

- Building and then staying engaged with a Christian community is not easy. What challenges have you experienced?

- Imagine a friend was starting to detach from church and go it alone. If you had the opportunity to talk with them, what would you say?

Take It Home

6. Think back through the discussion. What is one thing God is challenging you to focus on? What is a next step of action you could take?
