Growth Group Homework - November 17, 2019

Warm-Up

1. As a kid, what was the worst trouble you ever got into?
2. What was the most impulsive decision or purchase that you have made that you later regretted?

Talk It Over

3. Looking back at your notes from this week's message, what did you find most challenging or helpful?
4. Bevan explained that what we look at (sight), think about (thought), the places we go (place), and how we spend our time (time), all impact if we get into sin or stay on the right path. What does Proverbs 4:20-27 say about these four areas?
 - Sometimes we focus on the sight and thought area but neglect the place and time areas or vice versa. What could be the pitfalls of doing this?
5. List the responsibilities that you have and identify the people who are impacted by those areas of responsibility?

- How has diligence and faithfulness in these responsibilities helped you avoid sin, foolishness, or trouble?

6. At Seabreeze, one of our values is Growth Requires Community. Read through the following verses. What principles could we apply that would keep us on the right path?

Ephesians 4:25

Hebrews 3:12-13

Proverbs 13:20

Proverbs 27:17

Ecclesiastes 4:9-10

- How have you experienced the benefits of being part of a church?
- Building and then staying engaged with a Christian community is not easy. What challenges have you experienced?

Take It Home

7. What area of your life are you most vulnerable and at risk of sinning at this time? What steps do you need to take to stay on the right path in this area?
