## Growth Group Homework – March 4, 2018

### Saving Enough?

On God's priority list of how to use money, saving is #2 on the list. God has instructed us to save because the future is coming and we do not know what it will bring. We are not to fear the future, but we are to prepare financially.

#### Warm-Up

1. Are you a planner or an in-the-moment type of person? Give an example.
2. What career did you want when you were younger? Is it still a viable career path?

#### Talk it Over

3. What part of the message stood out to you and why?
4. Read the below verses and create a list of observations regarding finances.

*Proverbs 6:6-8*

*Proverbs 11:28*

*Proverbs 13:22*

*Proverbs 21:20*

*Proverbs 23:4-5*

- What have been some of the financial winters you have experienced? What did you learn from them?
5. You are talking to a friend who asks, "If a Christian is to live by faith that God will provide, why do you need to save for the future?" Based on the previous passages, how could you respond?
  6. Bevan said, "Retirement isn't about self-fulfillment but using your wisest years to build God's kingdom." What do you think about this statement?
  7. Have you ever been financially blessed by someone else who planned ahead? What did that mean for you?

#### Take it Home

8. Out of the four monthly steps Bevan mentioned, which one would be a next step for you? What would it look like to apply this?
  - Cut your spending to get on the 10/10/80 plan
  - Save an emergency fund
  - Snowball your consumer debt
  - Invest for future goals
