Growth Group Homework – February 18, 2018

How Much Is Enough?

When we love money, we live on a treadmill that never stops and keeps getting faster and faster. God has a plan to get us off the treadmill of chasing money so we can focus on the bigger, more important questions of life.

Warm-Up

1. What is something you are saving up for?
2. What was the last thing that someone tried to convince you that you needed to buy? What happened?

Talk it Over

3. What stood out to you from the message? Why?
4. Read through the following passages and make as many observations about money as you can.

Deuteronomy 8:17-18

Proverbs 3:9-10

Matthew 6:24

Mark 4:19

- What in these passages is most surprising to you?

- How have you seen or experienced these verses in life?

5. Read Luke 12:13-21. What would you say are the top concerns of the people in this story?

- What is the perspective shift Jesus is pointing to, and what do you think it means to be rich towards God?

6. Bevan explained how giving can cut the nerve of our love of money. Read 2 Corinthians 9:7. What do you think would cause a person to do this?

- How have you experienced generosity impacting your love of money?

Take it Home

7. Read Matthew 6:34. What was your top financial concern this past week? What is a practical step you can take to get more aligned with God's goals?
