

Growth Group Homework – May 14, 2017

The Power of God's Word

As authentic Christians, we must choose to rely on the power of Christ in our lives. The plans for building a life are contained in the Bible and it's up to us to learn them, use them, and sing them. When we do this, Christ's vast power is made available to use to help us avoid believing lies and wasting our lives.

Warm-Up

1. What is a song that often gets stuck in your head?
2. Who is a teacher that impacted your life growing up? What did you learn from them?

Talk it Over

3. What part of the message stood out to you and why?
4. Bevan explained how the words in the Bible form the blueprints about how we are to build a life that pleases God and is a blessing to us. Read the following passages and discuss the practices listed in these passages and what it would look like to do them.

Deuteronomy 6:4-9

Note: In verse 8, hand refers to action, forehead refers to thinking.

Psalms 1:1-6

- What are the challenges to these practices? What would these look like in our culture?
5. We grow in wisdom as we learn, teach, and help one another. Are there some verses or stories in the Bible that you have come back to again and again? How have they impacted the way you do life?
 6. Make a list of what you think are some of the biggest problems people around you are facing.
 - Thinking through some of these problems, what do you think it would look like to “teach and admonish one another in all wisdom”? How have you experienced this?

Take it Home

7. Which of the practices that you identified in question 4 could you apply this week?
