## **Growth Group Homework – February 26, 2017**

It can be pretty obvious when someone is physically lost. It is not as obvious when someone is as lost on the inside. This is actually why Jesus came to earth, to “seek and save the lost.” In this discussion we will explore why this mission dictated everything Jesus did and how we can follow his example.

### **Warm-Up**

1. What is something you recently lost? How did you respond?
2. When you were younger, were you ever part of a club? What was that experience like? How did you interact with people not in the club?

### **Talk it Over**

3. What part of the message stood out to you and why?

A challenge to sharing our faith is that many people do not appear to be lost. When you look around at the people in Huntington Beach, what do you see?

Read each of the following passages and describe what they teach us about humanity.

Isaiah 64:6

Romans 1:21-23

Romans 3:10-12

Colossians 1:21

Read Matthew 9:36-37. What do you think it will take to start to view people the way Jesus did?

Read Luke 19:10. What was your journey to become a Christian? When did you realize you were lost and needed saving?

### **Take it Home**

6. Read Luke 5:27-32. What do you think we can learn from Jesus' actions?

What opportunity do you think Levi saw when he planned to throw this party? Can you think of specific opportunities you might have with the people you encounter on a regular basis?

**Memorize:** Luke 19:10
