There are groups of men, women, mixed, singles, couples, or young adults consisting of 12-18 people meeting once a week at convenient locations on various days of the week.

current message series:

Peeled: Fruit of the Spirit The fruit of our lives is not developed overnight. It is planted then cultivated and grown over a period of time. All of us develop fruit from the choices we make in life. The question is what kind of fruit are you producing? If your life was like a piece of fruit and was peeled, would the fruit be sweet or sour?

Join us as we explore and examine the fruit in our lives.
