## new message series starts next week!

**God Dreams** We all dream. When we sleep, we create worlds that do not exist and stories that will never happen. When we wake up, we daydream about places where we would rather be. It is when we look to the future and dream of what might be that our dreams touch reality. If those dreams are only about what we want or what we can accomplish they are too small. This is because both our ability to dream and what we were created to dream have the same source: God. God gave us this dreaming gift so that we would dream God dreams. Dreams that only God can accomplish. Dreams that bless more than just ourselves. As we begin 2019, it is time to dream. Not the dreams of what we want but what God wants. These dreams begin first in the mind of God and then call us to join together, to see Him turn those dreams into reality.

**SERVICE TIMES** · Sundays 8:30, 10:00, and 11:30am
